Dear Mr and Mrs Linton

Thank you so much for fundraising for World Horse Welfare. We are extremely grateful for the amazing £500.00 which you raised at your dressage weekend, which our Field Officer Tony Evans has forwarded on to us. Tony has told us what a fantastic event this was, and we are so grateful for all your continued support.

Please visit our website at www.worldhorsewelfare.org to find out how the monies that you have raised are continuing to help horses.

By supporting World Horse Welfare, together we can turn your passion for horses into the power to help many more, at home and overseas.

Yours sincerely
