Record No: 11532 Receipt No: 1825

Dear Mr Linton,

Thank you most sincerely for the very kind donation of £525.00 to Cancer Research Wales raised by the Towy Valley Riding Club.

Cancer Research Wales is the only totally independent cancer research charity for Wales founded in 1966 with the philosophy that all money raised will be spent in Wales. The money raised will help to fund pioneering research projects carried out by internationally renowned scientists and PhD students across the Principality. At Cancer Research Wales we pride ourselves on funding the highest calibre of research which has the potential to benefit millions of lives worldwide, as well as those in our local communities.

We rely totally on the generosity of the public to support us and currently require **£2 Million every year** to meet our commitments in Wales. This includes the only specialist cancer library in Wales which is freely available to all medical professionals including those from other charities.

On behalf of everyone in Cancer Research Wales, please pass on our appreciation to everyone at the club for their vital support.

Yours sincerely,

Coleen Watkins
Deputy Charity Director – Administration

cc. Derrick Davies

P.S. Together we are making a very positive step towards finding a cure for this dreadful disease – Please continue to help by supporting our All Wales Small Change - Big Difference Campaign and requesting a home collecting box.
